

2011 HEYTESBURY CHARDONNAY

Smoky and toasty and a bit of struck match reduction - gives the high note. Lots of lime fruit underneath but definitely not a fruit-forward wine. Leaner fruit than the 2010 but full in the mouth with all that texture and weight. Fabulous freshness and length. Great concentration. Drink 2015-2025

A mighty follow-up to the sensational 2010 which took all before it on the show circuit. This is not so obvious but in some ways is a superior wine.. by a bit. Carries the aromatic same mix of cereal and grapefruit, with the fine minerally thread a striking feature. Such perfect balance and poise on the palate with the fine delicate flavours held through to a long penetrating finish. Great stuff.
