

2015 SAUVIGNON BLANC SEMILLON

A blend that takes the usual fare for this combo to another plane of excellence. Superb aromatics of honeysuckle, tropical fruit and subtle lemon stone fruit. The palate is just beautiful with deep complexity and flavour. The fruit is still dominant but there are other factors at play which elevate this. Finishes crisp and precise.

Scintillating

The semillon-sauvignon partnership has been adapted to sometimes thrilling gastronomic effect in those parts of the world where the red Bordeaux blend also thrives. In Australia's Margaret River, for example, home of the scintillating Vasse Felix Sauvignon Blanc Semillon 2012.

Fresh and Crisp

Margaret River's aromatic white blends are characterised by their fresh and delicate fruit and crisp natural acidity. This is the flagship Sauvignon Blanc Semillon of Vasse Felix, comprising the best fruit of the vintage. A small portion is matured in fine French oak providing savoury nuances, depth and structure.

A very clever wine that has neatly styled lime and white peach fruit. Gently flinty, some dried flowers and grassy nuances, with plenty of interest here. The palate is lined with tropical fruits in

the mango and guava flavor spectrum, fleshy and ripe, nicely cut with crunchy acidity. Drink now.
